### **Doris Driver Memorial Scholarship Application**

The Doris Driver Memorial Scholarship is intended to promote students' continued disciplined study of high-quality dance instruction during the summer months. There are limited funds available to Upper School New England Academy of Dance (NEAD) students to help offset the cost of tuition for summer dance programs. Scholarships are awarded to students based on financial need, artistic ability and promise.

Only Upper School students of NEAD that are in good standing are eligible to receive scholarships. Students should plan to return as a full-time student in the Fall 2025 (a waiver stating such may be required at the discretion of the selection committee).
