

2023-2024 NEAD Competition Program Information:

We are so excited to be adding ensemble pieces again this year! Below you will find information on the competitions we are eligible to attend (we don't need to attend all of them).

Payment:

The ensembles will need a total of 20-25 rehearsal hours. The price will be split between how many dancers are in the ensemble by \$125. This will cover studio and instructor fees. We will start with 20 rehearsals, but just note that there may need to be some added. Payments can be set up with the office before the first rehearsal. Additional fees will include hotels and competition registration fees that you will see below (it varies with each competition).
